### PROFILE

I have 10 years teaching experience. For the past four years I have been implementing technology within my classroom. I am proficient in Google Suites which includes implementing Google Classroom. I have excellent written and verbal communication skills with colleges and parents. I have trained and mentored other educators whom are both new and old in the district. My goal is to use my love for technology and teaching to help others become comfortable with utilizing it in their classroom or daily life.

### SKILLS
